Fundraising

THIS IS THE AREA OF GREATEST NEED. Doing this well cuts cost of assessment.
Please come to the June meeting with ideas.

Cub Foods bagging – June 27th & 28th

Steak Fry discussion- Do we want to do something different than steak fry? Last year mostly only family came, it is cheaper to just pay money in than all the sweat equity families and players put in. Maybe have a catered dinner, maybe with raffle or silent auction? Discussion to be continued, ideas welcome, next meeting we hope to decide.

Maybe in lieu of steak fry we consider: Gold Plate dinner \$50-100, Pancake breakfast, Spaghetti dinner, Cake auction, we need your ideas!

Golf tourney was very successful last year, Craig worked hard on it, but this year we would need a committee of at least 3, 1 for door prizes, 1 for sponsors, 1 to plan details -
Craig's work and contacts can be built on, we would not have to reinvent the wheel, Maybe have it at Cederholm or Island Lake only 9 holes instead of 18. WE NEED TO MOVE ON THIS NOW AND NEED PEOPLE!

*At some point we need a non-senior parent to be secretary, and another to train in for treasurer with Tim. We need someone who is carpenter who could build shelves in locker room for trophies.
We need as many hockey parents as possible to come with ideas and thoughts for fundraising to the next meeting*

**Respectfully submitted,
Brenda Abraham**
