Fundraising:

We had a lot of discussion regarding this.

We are all in agreement to not have a steak fry this year

Roseville Community Fund will give money up to \$2500, Denise will check into it, we cannot ask Little Canada again this year

Golf tourney would be good to do, Craig did a lot of groundwork last year we could build on, Kay will check and see if those who offered to run the steak fry would be willing to do this instead, possibly at Cederholm 9 holes.

We can try to get going with the yearbook sooner and get more ads and higher price ads
Develop a form thank you letter and have girls go and personally thank the sponsors, give them program and 2 tickets to sponsor appreciation game soon after program done.

Ticket money goes to the conference not us so Kay will talk to Brad about Mtka and Centennial game options for vouchers for sponsor tickets.

We need to get a listing of businesses in city of Roseville and call them asking for sponsors
There are some corporate programs that sponsor boys, we should look at the boys programs and ask those sponsors to support RGH too

One parent recommends going to large corporations to get a lot more money, he would rather pay more money than do a lot of things that require time of girls and parents

'Do we have the kids out selling or home doing homework?'

Can we give people benefits such as allocating 50% of the benefit of a new ad they sell for the yearbook? Is it ok with our 501c3? We need to find this out. We discussed pros and cons of this approach

Cub Foods Larpenteur - Bagging June 27-28 Kay set this up, we will see how this goes and if we want to do more dates

Chipotle - we can only do 1 this year.

Can we ask Shoreview Chipotle also? Kay to ask

Denise will talk to Noodles and Co

We need to check into Muscle Milk grant - who will do this?

Website:

Janine will update RGH meeting minutes to a password protected page of our website
She will update events, add photos, etc.

We would like to enter OS fall league as a roseville RGH team so the girls can skate together this fall, Winny has a spot for us.
